**RESPONSE TO NOTICE TO FILE MISSING PARTS OF
NONPROVISIONAL APPLICATION FILED UNDER 37 C.F.R. 1.53(b)
FILING DATE GRANTED**

Dear Sir:

Applicant received a Notice to File Missing Parts of Nonprovisional Application, Filing Date Granted, mailed March 19, 2001. The Notice indicates that the application was filed without the statutory basic filing fee of \$710. In addition, a surcharge of \$130 was requested as being required in response to this Notice to avoid abandonment.

In response to said Notice, the Applicant's submit that the Transmittal letter dated February 9, 2001, and submitted with the original application contains an authorization for the filing fee of \$710 to be charged to the deposit account of The Goodyear Tire & Rubber Company, Account No. 07-1725. A copy of the Transmittal letter is enclosed. To the best knowledge of the undersigned, said deposit account contained, and continues to contain, sufficient funds to pay the required filing fee. Accordingly, Applicants respectfully request that the required filing fee of \$710 be charged against Deposit Account No. 07-1725.

Further, Applicant does not believe a surcharge of \$130 should be required since authorization to charge the filing fee to an active deposit account is clearly given on its Transmittal letter dated February 9, 2001. However, should the surcharge be required, the Patent Office is hereby authorized to charge said fee to Deposit Account No. 07-1725.
